Subject: Upgrade resume.

Chris,

Can you please confirm you have received this email and the attachment please?

Attached is an unofficial copy of the resume we discussed yesterday; Valenciawill email the official version once it has been processed. This will become available on NHTSA's public website on or about 8/11. Although not formally decided, I suspect ODI will produce an EA IR letter to request updated subject (and perhaps peer) complaint information and possibly information regarding the throttle pedal design/in-vehicle configuration; I will keep Chris Santucciadvised on this. Please let me know if you have any questions.

Regards,

Scott
